

To my gorgeous wife to be,

You are the calm when my mind is racing, my voice of reason and without question the best thing that has ever happened to me.

In a few hours, I'll see you walking towards me and I already know it'll be the most beautiful moment of my life. I'll try very hard not to cry... no promises. Just hold my hand and everything will be fine.

Enjoy every second today honey because it's our day. Laugh, smile, take it all in and don't spend a second worrying about anything. At the end of that aisle is someone who will always choose you, stand by you and love you with everything he has.

P.S. I thought you could use one last laugh before I see you. Scan the QR code below and enjoy one of my favourite memories of us. I hope it makes you smile as much as it does me.

I love you more than words could ever say.

See you soon, my beautiful wife to be.

Forever yours,

David
