

## TERMS AND CONDITIONS

These Terms and Conditions apply to all bespoke engagement rings created by LADFOX. By placing an order the customer agrees to the following conditions.

### 1. Lifetime Warranty

LADFOX provides a lifetime warranty covering faults caused by manufacturing or poor craftsmanship. This includes the following:

- prongs or claws failing due to workmanship
- loose stones caused by incorrect setting
- structural issues in the band or setting
- defects related to soldering or construction

The lifetime warranty does not cover the following:

- accidental damage or impact
- general wear and tear
- bent bands or crushed claws
- chemical damage
- lost or missing stones caused by misuse
- damage or alterations performed by another jeweller without approval

Any work carried out by a third party without written approval from LADFOX voids the warranty.

### 2. Prong and Setting Checks

To protect the stability of the ring the customer must arrange regular prong and setting checks with a qualified professional jeweller.

Checks should take place every six months.

The customer is responsible for ensuring the prongs remain secure and intact.

Stone loss or prong failure caused by a lack of professional maintenance is not covered under the lifetime warranty.

### **3. Production and Delivery**

Production time is up to five weeks depending on complexity.

All parcels are sent insured and tracked.

Responsibility transfers to the customer once the parcel is signed for on delivery.

Courier delays or customs delays are outside the control of LADFOX.

### **4. Care Guidelines**

The customer agrees to remove the ring during gym workouts, lifting or manual work, swimming, hot tubs, cleaning with chemicals, gardening and any strenuous activity.

Damage caused by misuse, improper care or accidental impact is not covered by the lifetime warranty.

### **5. Insurance**

LADFOX strongly recommends obtaining independent jewellery insurance immediately upon receiving the ring.

An official valuation can be provided upon request.

Insurance responsibility lies solely with the customer.

### **6. Agreement**

By approving the final design the customer confirms they have read, understood and accepted these Terms and Conditions from LADFOX.
